

CAP CLUB HISTORY

Back in 1983 a group of keen and dedicated owners of English small Fords formed a club called the New Anglia Prefect Cortina Club of Australia. The 'new' related to the second generation of Anglia's and Prefect's. The objective of the club was to promote the preservation and restoration of these small English Fords.

As the years rolled by the Cortina became the most popular vehicle to be owned by members (the few Bathurst wins may have had something to do with this) and in the late 90's it was decided that the club's name should be changed to reflect this and so the name Cortina Anglia Prefect Club of Australia was adopted to best represent the club. Today the Club is usually referred to as the CAP Club and until recently, when it came to Cortinas, only Mk1 and Mk 2 Cortina's were allowed within the club. In late 2007 it was decided to amend the Club's rules to allow in the later generation Cortinas of the Mk3, Mk4 and Mk5's.

CAP Club currently has over 70 members providing technical information, a range of spare parts, an informative part colour monthly magazine and access to the Concessional Registration Scheme (Club plates). We mostly enjoy a very good social atmosphere with regular outings, monthly meetings and annual dinners. Over the years CAP Club has arranged weekend trips away with similar interstate clubs and one highlight outing was in the year 2000 when 14 members took their Cortina's, Anglia's and Prefect's all the way to Melbourne for Ford Australia's 75th birthday bash. Over 3000 passionate Ford vehicle owners made the trek to what was the greatest Ford gathering ever in Australia and we were part of it all.

CAPClub is affiliated with several motoring bodies and every year the Club participates in these major annual events:

- The All Ford Day at Eastern Creek
- The All British Day at North Parramatta
- The Combined Motor Club's Eastern Creek Display Day
- CAPClub's very own British Ford Display Day at Rouse Hill

CAPClub's monthly meetings are held on the fourth Wednesday of the month at 8:00pm in the Jones Park Community Hall on the corner of Banks and Burnett streets Mays Hill, NSW. Feel free to come along for a visit even if you aren't a member, with drinks and eats after the meeting its a great chance for a friendly chat.

Regards
